

Alcohol Policy

Scouting Ireland National Scout Centres are committed as part of their overall philosophy to
“Discourage the use of Alcohol on the basis that it is incompatible with a healthy approach to Scouting activity”

The centre believes that we need to work towards creating a safe, friendly and secure environment and therefore ask for full compliance of our Alcohol policy.

NO ALCOHOL IS PERMITTED ON THIS SITE EXCEPT BY PRIOR PERMISSION FROM THE CENTRE MANAGEMENT.

All Staff and Visitors of the site shall follow the law when it comes to Alcohol and shall display leadership and good example.
